KITCHENER-WATERLOO AND DISTRICT ATSSA NEWSLETTER

February 2010

January Meeting:

We were pleased to welcome **KROWN Corporation** and their strong dealer network as our January sponsors. **Paul Kirkup, Regional Sales Manager**, educated us on why "**Spring is a Great Time to Protect Your Vehicles from CORROSION**". Corrosion is a chemical reaction that requires specific elements as catalysts for the reaction to be present and a volatile mix of those elements can accelerate the process to a critical state. Paul explained the results you can expect from being proactive and addressing the accumulated harsh road salt that is attacking your vehicles and moving components every day. We want to thank **Paul Kirkup** and **KROWN Corporation** for their continued support.

February Meeting:

Join us at our February meeting where "**a mixed bag**" of information will be presented by several speakers. This will be a **K-W & District ATSSA** sponsored meeting. We hope to see you there.

We would like to welcome the following new members Larry Blandford of Truck Promotions and Royce Reid of Waste Services Inc. Please make them feel welcome when you meet them at the meetings.
