KITCHENER-WATERLOO AND DISTRICT ATSSA NEWSLETTER

January 2005

DECEMBER MEETING:

John Degani, the General Sales Manager for Canadian Hydrogen Energy Company Ltd., gave a very informative presentation on the HFI system. We would like to thank him and Canadian Hydrogen Energy Company Ltd. for sponsoring the December meeting. The suggestions he made with regard to the government sponsored rebates was a good one.

JANUARY MEETING:

Groeneveld / CPL Systems will be sponsoring the January 6th dinner meeting. Our speaker will be Jonathan Fava, North American Support Manager of Active and Passive Safety Systems for Groeneveld. The presentation will cover reversing obstacle detection devices, camera and radar systems and the proper application of these products. Recent events in the workplace and legal focus for worker safety have raised the interest of active and passive safety products and the responsibility of supervisors to perform "due diligence". As well as samples of the safety products, the complete line of Groeneveld Automated Lubrication Systems will be displayed. Hope to see you there.
