## KITCHENER-WATERLOO AND DISTRICT ATSSA NEWSLETTER

### January 2010

#### December Meeting:

The successful December dinner meeting was sponsored the *K-W & District ATSSA*. We want to thank all those that gave a gift of food to those less fortunate; *The Food Bank* will greatly appreciate the gesture. We would like to also thank *Denny Snider* from *Project Track Champion* for his presentation and also introducing his team. We would especially thank *Alf Brown* of the *Ministry of Transport* for filling in at the last minute with his excellent presentation. At the meeting Alf suggested if you needed more information on the topics he presented you could contact him at [alf.brown@ontario.ca](mailto:alf.brown@ontario.ca)

#### January Meeting:

For January we are pleased to welcome *KROWN Corporation* and their strong dealer network as our sponsors. The speaker will be the *Regional Sales Manager, Paul Kirkup* who will educate us on why *"Spring is a Great Time to Protect Your Vehicles from CORROSION"*. Corrosion is a chemical reaction that requires specific elements as catalysts for the reaction to be present and a volatile mix of those elements can accelerate the process to a critical state. Paul will explain the results you can expect from being proactive and addressing the accumulated harsh road salt that is attacking your vehicles and moving components every day.

#### Membership:

We would like to welcome the following new member *Robert Elliott* of *Steed & Evans*. Please make him feel welcome when you meet him at the meetings.

#### Sponsorship Opportunity:

We have a sponsorship opportunity for our February 4<sup>th</sup> meeting, Contact Jim Pinder or any executive member if you have contact information for a potential sponsor.

#### CFMS: May 10-12<sup>th</sup> /2010
