K-W AND DISTRICT BRANCH

January 2012

December Meeting:

It was a pleasure to have **Freeman Young** of **Krown Corporation** speak at our last meeting of 2011. As always **Freeman** was an engaging speaker for **Krown**, he gave a slide presentation on corrosion, in fact the same one that he gave at the TMC – in North Carolina back in September of this year. He discussed what is happening in the industry in regards to the use of the pre-wetting materials that are being spread on the highways and more importantly what fleet owners should be doing to protect their investments. Thank you to **Freeman Young** and **Krown Corporation** for being a long time sponsor of our meetings and the association.

January Meeting:

We are starting our first meeting of 2012 with a **KW & District ATSSA** sponsored meeting. Join us and find out what we have in store for that meeting. We hope you all have a **Merry Christmas** and a **Safe and Happy New Year**.

New Members:

We would like to welcome the following new members; Nick Lourette of Krown Corporation and Jonathan Bergsma also of Krown Corporation. Please make them feel welcome when you meet them at our meetings.

If any of you would like to sponsor a meeting or know of any **product** or **company** that would benefit from sponsoring a meeting please contact our sponsorship chair **Jim Pinder** at **519 - 780-5820**.
