KITCHENER-WATERLOO AND DISTRICT ATSSA NEWSLETTER

May 2006

APRIL MEETING:

We would like to thank IMT who specialize in drop center axles, king pin steering axles and off-road applications for sponsoring our April dinner meeting. Scott Maccabe Vice President Axle Group gave an interesting, information filled presentation on IMT Self-Steer Axles. Thanks again to both Scott and IMT.

MAY MEETING:

Cummins is our May dinner meeting sponsor. Presenters: Adam Whitney, Truck Dealer Manager, Ontario, Cummins Eastern Canada along with Ryan Weary, Territory Manager, Cummins Diesel of Canada will be at the meeting. Their primary topic of the presentation will surround Cummins 2007 product line-up, discussing how they will meet the upcoming EPA emissions standards. Specifically they will touch on new changes to the 2007 engine including exhaust after treatment, as well as new ratings for 2007. With 2007 just around the corner I am sure this topic is considered when purchasing a new truck. Join us and find out more about this timely subject.

We would like to welcome the following new members: Tony Santos, Locomote Systems Inc. - Stephen Popp, Provincial Trailer Rentals - Larry Frosch, Cambridge Fire Department
