OCTOBER MEETING:

Last month Harper Detroit Diesel - Allison sponsored our meeting. They presented the Allison Transmission product line. The speakers Nick Finamore Account Manager Ontario for Allison Transmission and Steve Matson Manager Allison Products for Harper Detroit Diesel Allison shared a great deal of useful information with us. We would like to thank them for sponsoring our meeting sharing the information and giving of their time.

NOVEMBER MEETING:

This meeting will be sponsored by one of our newest members, Traction. Jeff Armour the Regional Sales Manager for Traction informed me that, Traction in conjunction with Ron Gervais who is well know in our industry, will focus this meeting on the subject of "On Going Training of the Mechanic at the Fleet Level". This is being done to prepare the mechanic for the continuing changes in our industry. This sounds like a subject we could benefit from, we hope to see you there.
