KITCHENER-WATERLOO AND DISTRICT ATSSA NEWSLETTER

November 2006

OCTOBER MEETING:

The semi annual KW-ATSSA Tradeshaw of October 12/2006 went off very well. We the executive would like to thank all those that participated and came to this event for helping make it the success that it turned out to be. We would also like to thank Doug Bannan and Bryan Watson for all their hard work in getting this put together. A job well done.

NOVEMBER MEETING:

Grote Industries Canada is our sponsor for the evening. The speaker, Charlie Taylor, Regional Sales Manager for Central and Atlantic Canada has been in the Transportation industry for 22 years. The last fourteen years have been with Grote Industries Canada, thirteen years as a Technical Specialist in Atlantic Canada, and the last year in his current position, as Regional Sales Manager. Charlie has been a member of APTA, AIA, and past chairman of the Automotive Industries Association (Atlantic Division). He has spoken at many industry events, including CFMS, APTA Truck Technical Conference, along with multiple other Educational Institutions. Charlie will be speaking about Proper Electrical Repair, using "The Right Tool for The Job". As we all know wiring problems can consume much time, join us and find the proper way to repair them.

MEMBERSHIP:

We like to welcome Andy Olesch of Beka Lube Products Inc. our latest new member.

LADIES NIGHT:

There are still tickets available from any executive member for this years November 4th Ladies Night. The live band along with buffet style dinner is, as in years past going to be a great success and a bargain at \$100.00. Plan to join us in the newly expanded facility of the Holiday Inn.

UPCOMING EVENT & INFORMATION:

The November meeting is when the "Years of Service" awards will be presented. Plan to attend this special presentation.
