## **KITCHENER-WATERLOO AND DISTRICT ATSSA NEWSLETTER**

### **September 2005**

#### **JUNE MEETING:**

Kirby International, International Truck and Engine Corp. were last month's sponsor. We would like to thank them for sponsoring the meeting and giving of their time to share the interesting information on the CF Series, New Class 4 - 5 Cabover from International. They also gave an overview of the "Hybrid Truck" that International is working on. Thank you again.

#### **SEPTEMBER MEETING:**

This month we are privileged to have RoadDor and Wabasto Products North America in conjunction with Manwin Enterprises sponsoring our meeting.

RoadDor will have Blain Mitton who joined them two years ago as Business Development Manager presenting their product. Blain offers a wealth of some 30 years experience in Export Marketing and Business Development in both Europe and South East Asia. RoadDor offers new technology and a patented design which offers reduced maintenance, ease of opening and an improved image to the roll up door market, which Blain will explain in detail.

Wabasto Products North America / Manwin Enterprises will have Rick Storozuk, the Regional Sales Manager for Wabasto in Ontario presenting. They will also have "BlueCool" their rolling display truck onsite. Rick will be highlighting Engine and Bunk Heaters, Windshield Washer Fluid Heater and their newest product BlueCool. This is an air-cooling unit that provides interior bunk cooling without idling the truck engine or an auxiliary generator.

#### **MEMBERSHIP:**

We would like to welcome the following new associate member: Alex Henderson: Unicorn Truck & Tank Wash Inc.

#### **LADIES NIGHT:**

The opportunity still exists for your company to be added to the donor's list that will be prominently displayed at each dinner meeting. If you would like to donate \$250.00 towards Ladies Night and have your name added please contact any of the executive and they will be happy to help you.

#### **ATS/CFMS EXECUTIVE:**

We are looking for representation on both the K-W ATSSA Executive and the CFMS.
